Let's go back to brush arbor

o m5 o m5

Let's go back to the wood

o m5

Back to where our mother

and fathers before stood

God down on their knees

faced the evil and the good

Let's go back to brush arbor

Let's go back to the wood

Let's go back to brush arbor

Let's go back to the stream

Back to the waters

flowing so clean

Beneath the sky of blue

And leaves of green

Let's go back to brush arbor

Let's go back to the stream

Let's go back to brush arbor

Let's go back to the stream

Let's go back to brush arbor

Let's go back to the stream

2 Lets go back to brush arbor

Lets go back to the stone

The power of the words

we build this life upon

with hands held together

Let our spirits be known

Lets go back to brush arbor

Lets go back to the stone
